

Knox United Church Has Successful Year

Knox United Church held its annual meeting recently. An enjoyable pot luck supper preceded the business session and there was a good attendance to hear the reports.

All groups of the church reported an active year. Group activities brought together in Christian fellowship boys and girls in Mission Band, Explorers, Tyros, Trail Rangers, C.G.I.T., Tuxis and Young People's Society. The adult groups are the Women's Missionary Society, the Women's Association and the A.O.T.S. (As One That Serves) for men.

Sixteen members were received into the fellowship of the church. The expanding work of the Sunday school is an especially encouraging feature of the year's work, and will necessitate additional facilities in the immediate future.

Over \$400 was raised during the year for local and missionary purposes.

During the year water and plumbing were installed in the manse, together with new flooring, cabinets and other improvements valued at over \$1,000. The manse now ranks among the best in the Conference. The Afternoon and Evening Groups of the Women's Association contributed generously, and the Westcott Church has made a generous contribution and given loyal support in this work.

Officers elected to the Board of Stewards were Ervin Klink, Ross Dawson, Fred Evans and Wm. Blore. Members of the Session are to be elected at a later meeting.

Financial support both to local undertakings and missionary activity was the largest in the history of the church with over \$7,000 being raised.

Equipment Moving To New Oil Well Site

Several large truck loads of equipment, including the derrick, were in town last week and on their way to the Bailey No. 1 oil well site on the Jim Wilson farm about 12 miles east and a mile south of Didsbury.

Due to the heavy snow and drifting conditions last Saturday the roads were blocked from town to the oil well site, but the snow plow went through Sunday morning and the trucks transporting the drilling rig went through without difficulty.

The Bailey No. 1 well is being drilled by the Regent Drilling Company and will be spudded in as soon as the equipment is in place. This well is being financed jointly by the Bailey Company, Anglo-Canadian, Selburn Oils of Winnipeg, Sunshine Mining Company of Idaho, and Mount Royal Syndicate, a private group from Montreal.

The well is scheduled as a Madison test down to about 6,500 feet.

Ramblers Head South Central Hockey League

On Saturday, January 27, the Didsbury Ramblers went on a scoring spree against the Hillhurst Hustlers at the local Memorial Arena, and when the smoke cleared they found themselves the winners of the game by an 8-1 score.

The win put Ramblers at the top of the South Central Alberta League again by a three point margin. Didsbury goals were scored by C. Papke, 3; Miller, 1; Devine, 2; and Vecchio, 1.

The lone tally for Hillhurst was scored by Pegoraro.

Ken Papke was in goal for the Didsbury team and in the third period received a cut over the eye. He was removed from the nets and W. Weidner took over till the game ended.

Didsbury: C. Papke, B. Weidner, R. Buck, R. Shantz, G. Roberts, B. Moon, C. Papke, V. LeGrand, T. Morgan, Miller, B. Fulkert, L. Devine, G. Wilkins, J. Vecchio, L. J. Holub.

Hillhurst: Miller, Pape, W. Green, Durny, Pegoraro, McDermitt, Earle, D. Jenkins, Sharp, Lang, V. Wasan, Lou, B. Jenkins, Leighton, Davies.

ROADS BLOCKED BY LAST WEEK'S SNOW

Colder weather set in last Wednesday afternoon, following almost five weeks of above normal temperatures, and accompanied by snow and wind, this part of Alberta received its first real winter weather of the season. Temperatures dropped to as low as 20 degrees below zero, and the cold wave continued through until Sunday, when above zero temperatures were reported over most of Alberta.

The eight inches or more of snow, accompanied by north-west winds, drifted many of the country roads and snow plows were on the job the first of the week clearing out the main roads.

Waller League To Display Quilt In City

The annual convention of the Alberta-British Columbia District Waller League will convene at Calgary on Friday, February 2, and continue till Sunday evening, February 4. Many of the local members of the Waller League plan to attend. One feature of the convention will be a display of Talent Quest items. The Redeemer Leaguers have consistently won first place in this endeavor for the past four years, and another try will be made this year. Numerous individual entries have been made.

As a group project a Waller League quilt was made, containing the Waller League emblem, a tent-point star, the League motto, "For Ais of Pious" and the names of all Leaguers in the Didsbury organization are embroidered on the quilt.

Over the past week this quilt has been on display at Edmonton. Following the Calgary convention it will be displayed at Didsbury and Olds, and then to the International Convention at St. Louis, Missouri.

V. Soley is President Of Local Legion Branch

The Didsbury Branch of the Canadian Legion held a smoker in conjunction with the meeting to install the 1951 officers, on Thursday evening, January 25. Padre A. F. Shear officiated as installing officer and conducted a very appropriate installation ceremony, and the following officers were installed:

President: V. Soley; 1st Vice President: H. Gillette; 2nd Vice President: Dr. R. E. McKenzie; Secretary: E. Walker; Executive Committee: For the Town, J. M. Freeman and L. Berscht; For the West, G. Ford and C. Brooke; For the East, A. Wilkins and S. Wilkins; Benevolent Committee: E. Cogswell and S. Gilson; Sergeant-at-Arms: G. Anderson.

The past president, J. Freeman, reported a very successful year and was presented with a Past President's Medal by the new President, V. Soley.

A motion was carried unanimously, pledging full support by the Didsbury Branch of the Dominion Command's resolution "Operation Preparedness" which is now before Parliament.

After short addresses by C. A. Gogan of Olds and Padre Shear the meeting adjourned and the smoker followed.

The smoker was well attended and enjoyed. There were games and refreshments, and the evening was highlighted with two stirring songs by J.H. Robertson, who then led the group in singing some Scotch songs appropriate for Bobbie Burns Day.

Fourteen visitors were present from Olds and Innisfail, while those invited from other points in the area were unable to attend.

Legion Auxiliary Installs 1951 Officers

The regular meeting of the Legion Auxiliary was held at the home of Mrs. George Thring on Thursday evening, January 25, and the following officers were installed for the year:

President, Mrs. Eileen Wilkins; 1st Vice President, Mrs. Betty Walker; 2nd Vice President, Mrs. Joyce Rodway; Secretary, Mrs. Georgina Wilkins; Treasurer, Mrs. Ethel Reinhardt; Executive: Mrs. H. Richardson, Mrs. H. Gillette, Mrs. R. Robertson, Mrs. R. McKenzie, Mrs. A. Coulter, Mrs. F. Nicholl, Standard Beaver, Mrs. Geo. Thring, Membership Committee, Mrs. J. Freeman; Sick and Visiting, Mrs. H. Gillette; Entertainment, Mrs. E. Walker; Luncheon, Mrs. M. Wilkins and Mrs. F. Nicholl.

Approve Re-appointment Of Second Public Health Nurse

At a meeting of the District Board of Health of the Rosebud Health Unit on January 23, two resolutions were passed. One was the approving of the re-appointment of a second Public Health Nurse, and the other resolution approved the principle of use of chemical closets in schools where water closets are impracticable.

The quarterly report of the Rosebud Health Unit from October 1 to December 31, 1950, was presented by Dr. J. G. Lishman, Medical Officer of Health, who assumed his post on November 20, and this report in detail shows the operation of the Unit.

The report also shows that the Rosebud Health Unit operated well within its budget during the past year, with the provincial government contributing \$10,500 and the local governments \$7,200 toward the expenses of the Unit.

The staff of the local Health Unit consists of Dr. J. G. Lishman, M.D., medical officer of health; Miss Margaret A.K. Davis, Public Health Nurse; James H. Bloomfield, Sanitary Inspector; Mrs. Holly Petersen, secretary-technician, and David Archer, janitor.

The District Board of Health comprises C. E. Belter, Didsbury; W.H. Metz, H. Green, C. Fox and F. J. Niddie, representing the Municipal District of Mountain View; F. K. Pelous, representing the Municipal District of Waterton; M. C. Lee, representing Bowden; and John B. Weir, representing Sundre.

The Executive Board, since the death last fall of Mr. A.A. Dunkley of Olds, comprises C. E. Belter, acting chairman; Mrs. H. Petersen, secretary; Mr. W.H. Metz, member, and Dr. F. J. G. Lishman, M.O.H.

BANCROFT BUTTERCUPS

The January meeting of the Bancroft Buttercups was held at the home of Audrey Swanson and opened by singing "Goodnight Irene" and repeating the creed.

For their objective the juniors brought pictures of health and first aid in the home. The seniors objective was "prevention of accidents."

For entertainment the girls made two sewing kits for the girls graduating from a vocational school near Athens, Greece.

A HOME FOR THE AGED

The articles by Mr. M. Weber and Dr. Epp on the above topic which appeared in the "Pioneer" during the latter part of the past year were read with interest and appreciation. These were good and to the point. We have heard some comments regarding the same, but it appears there is not as much interest in the subject as there should be in our town and community.

I presume there are some reasons for this lack of interest, some of which may be as follows:

First: Young men and women, of course, look forward to a long and happy future. They are naturally full of life and energy and the idea of "a home for the aged" is a far cry to them.

Second: Those in middle life with a young family growing up are busy occupied in providing the necessities of life and in educating their children, so that this class, too, are prone to forget that time is passing and that the day is left.

Third: Even though the third generation has begun to come along, Grandpa and Grandma are still together and are happy in each other's company, provided he has been kind to them. They live alone perhaps in a separate little house on the farm, or they may have moved to their home town where they may have a garden, a few

FLAX IN SHORT SUPPLY

The flax carryover in Canada on July 31 last was only 4.4 million bushels as compared with 10.7 million bushels a year earlier. The Canadian flax crop in 1950 produced 4.5 million bushels. The result is that the supply is not sufficient to meet the domestic requirements.

A.M. Wilson, Alberta's field crops commissioner, says that an increased demand for flax this year is expected. Farmers who intend to plant an increased acreage to this crop should get their seed supplies early.

WESTERDALE NEWS

The severe cold weather prevalent last week end was responsible for again postponing the hockey boys' box social.

We extend a speedy recovery to Mrs. A. Wadley who underwent a major operation last Thursday in the Didsbury hospital.

A continuous chuckle of laughter was heard at the local rink last Monday evening when the district Gents and the Harman Gents played an amusing tie 3-3 game of bromball.

The Westerdale hockey team was trounced last Wednesday evening when they played the Didsbury Beavers at the Memorial Arena. The Beavers won 11-3.

Mrs. F. Herbert and Mrs. W. Herbert were co-hostesses to the second and last party of the season held at the home of Mr. and Mrs. W. Herbert on Monday evening, with six tables in play. Top honors went to Mrs. J. E. Bolton and Mr. D. Herbert, and second prizes to Mrs. L. Jones and Mr. F. J. Jackson. A bounteous lunch was served by the hostesses, bringing a pleasant evening to a close.

The next whist party will be held at the hall on February 12.

Mr. T. Collinge of Acme called in at the home of Mr. and Mrs. Ben Kershaw last week.

Mrs. F. Herbert trucked lumber to Magrath and Raymond last Tuesday and Thursday. Mr. H. Jackson accompanied him on the trip to Magrath and Mr. Arthur Jackson on the trip to Raymond.

chickens and a Jersey cow to occupy their time and bring a degree of satisfaction and contentment. But finally time catches up to them and then one or the other is taken and all too often the one that is left becomes extremely lonely and then what? Who is going to look after Grandpa, or Grandma? It is all very much, so they get down stairs by the fire but there they are in the way. Besides that, they are not in their element because little Bobbie or Maggie of the third generation is making such a terrific racket that the old folks can hardly stand it for long, but there is nowhere else to go except to their second-class refrigerator upstairs. If they undertake to quieten the young scamps, who are only asserting themselves, then Grandpa or Grandma are unceremoniously put in their places by the daughter-in-law or son-in-law, as the case may be.

So in spite of their needs, though ill at ease either upstairs or downstairs, they must grin and bear it.

MISS MARY FRANCES HOUSLEY (inset), 21 died in this crash at Palladopolis International Airport recently, and her husband, who was helping her passengers to safety. Four other women and two infants were also victims as the National Airlines DC-4 aircraft was skidded sideways in a snowstorm, rammed through a heavy gridded fence and burst into flames.

Madden Farmer Gored By Bull; Froze To Death

Evot Green, a former resident of the Didsbury district, and a farmer of the Madden district for the past seven years, was gored and rendered unconscious by an enraged bull on his farm on Saturday.

The body was found by the eldest son, Dale, some hours after he had gone to the barn for his morning chores. It is believed that Green intended to bring the bull into the barn when he was attacked. The animal's charge left him unconscious and he froze to death in the sub-zero temperature.

Mr. Green was born in Sprague, Washington, and came to Alberta 21 years ago, living at Crossfield and Didsbury before moving to the Madden district in 1943.

He is survived by his wife, Mary; four sons, Dale, Virgin, Billy and Lyle; and a daughter, Evelyn, all of Madden; his parents, Mr. and Mrs. Raymond Green of Crossfield; two sisters, Mrs. Veri Barnes at Dixie, Wash., and Mrs. Ernest Farrell of Crossfield.

George Thring left last week for Edmonton where he is attending a Didsbury chapter of the Veterans Affairs convention.

GOUDIE HOWE, pictured above, of the Detroit Red Wings, and Maurice Richard of the Montreal Canadiens, rated the greatest wingers in hockey today, are among the stars of the second annual skating show at the Memorial Arena with 45 points gathered by way of 16 goals and 20 assists. Richard totals 4 with 28 goals, the highest number in the league.

Meanwhile they get that far-away point, such a central home would make it more convenient and less expensive for the Pastor to visit and call on the members and adherents of their respective communities.

By agitation and persistent advocacy whatever we need get so, let us hear from others regarding this very important project.

Very truly, one of you, A. TRAUB

Didsbury West Mutual Telephone Co. Meeting

Notwithstanding bitter weather and drifted roads there was a good attendance at the annual meeting of shareholders of Didsbury West Mutual Telephone Company. All directors and officials and about 20 per cent of the shareholders were present.

The activities of the year and the problems met were presented by the chairman in his opening remarks. Nominations were requested for two directors. I. D. Levagood declined re-nomination and J. Folkman was elected. Jas. Hughes was re-nominated and accepted.

A vote of thanks to I. D. Levagood was proposed and heartily given. It would be remiss not to mention here the long and faithful service of Mr. Hughes who was elected to office at the beginning of the Company 16 years ago, and carried on through thick and thin since.

The financial statement was read and called forth some friendly criticism, in that by grouping together different items under one head the details were obscured and the real meaning not apparent. The secretary explained these and promised to rectify the matter.

Requirements for safeguarding life and property by properly grounding wire where power line crosses were discussed and approved. Also purchase of replacement poles.

In the matter of changing old instruments for new style, it was pointed out that only by the subscriber assuming the extra cost can this be done, and then only as new boxes are available. Old style instruments may be converted to new at about half the cost of new ones, but wherever present service is giving reasonable service it would be wise to continue.

A vote of thanks was tendered to the directors for their services, and the meeting adjourned.

At the organization meeting the officials were re-appointed, with Mr. Ross Youngs as secretary-treasurer in the place of Mr. Levagood.

A million dead in the United States and scores of thousands in Canada in auto traffic accidents since the beginning of the year is far too high, declared the Financial Post. "Most of these people died because someone, driver or pedestrian, thought that he was in a hurry," because a death trap on a highway had been allowed to remain, because some person thought he was a good driver and wasn't, or because some driving fool expected a child to be as careful as a grown up."

MELVIN NEWS

In spite of the cold weather Mrs. L. Chandler was hostess to six tables of whist last Wednesday evening in aid of the Melvin W.I. First prizes went to Mrs. R. McNaughton and Mr. E. Walldorf. But, Johnston and his prize, and the wandering prize went to Mrs. R. McNaughton, Mrs. L. Krebs and Lorne Chandler received the consolation. An angel food cake was given away to the one who came nearest to guessing the correct number of marbles in the jar, and the contest was won by Mrs. L. Krebs. Altogether \$10.70 was realized and the W.I. wishes to thank everyone for their support.

A social and dance at Melvin this Friday, February 2. Music by Tohm's orchestra.

Didsbury Seniors Win From Drumheller 5-2

After taking a 5-0 lead at Drumheller on Wednesday, January 24, the Didsbury Ramblers hung on to score a 5-2 victory over Drumheller Miners in a South Central Alberta Hockey League game.

Fulkert opened the scoring for Didsbury early in the first period and flashy centre Papke turned the hat trick with three straight markers in the second game. Roberts added Didsbury's fifth goal in the third.

Drumheller came to life to avoid a shutout with goals by Earl and Bob Berlando finding the net. Drumheller - Kuryk; Salows, Campbell; Durnie, Popovich, Winn, Lefley, Jenkins, Melville, Saults, J. Berlando, Smith, E. Berlando, Dumont and Kakuk.

Didsbury - Evans, Weidner, Moon, Roberts, Papke, Morgan, LeGrand, Fulkert, Smith, E. Berlando, Holub, Devine.

Referees - Evans and Gammie.

WESTCOTT NOTES

Mr. and Mrs. C. Copel of Didsbury were dinner guests at the Herbert Goetjen home on Sunday evening last.

Mr. and Mrs. Fred Goetjen spent Monday last in Calgary, and their children, Hope, Pearl and Carl spent the day with their aunt, Mrs. Herbert Goetjen, while they were away.

The Westcott Junior boys played another game of hockey in Didsbury last Wednesday evening and won for a change to the tune of 5-2.

A couple of private skating parties took place at the rink last week and on other nights there were hockey games or practices. Friday night, the regular skating night, it was too cold for many to venture out, with snow and wind to blow in the roads besides.

The Jack Robertson family spent Sunday afternoon with Mr. and Mrs. Gordon Ford and Elizabeth. Friends of Deloyce Goetjen will be glad to hear she is back at classes after being out of school because of illness. Deloyce is practicing teaching this week in Calgary.

The weatherman has been dealing us out some different weather of late with the temperature dropping down to more than 20 below zero at times and a strong wind blowing. It's been nasty for both man and beast.

Mr. and Mrs. Bob Patchell of Crenshaw visited at the Reinhardt home one day last week.

Mrs. Alex Robertson is home again after being in the hospital under observation.

Redeemer Ladies' Aid Supper February 2

Prof. A. Guebert of Concordia College, Edmonton, who spent three months of 1950 in touring Europe, will serve as guest speaker at the Ladies' Aid supper at Redeemer Lutheran Church on Friday, February 2nd.

Prof. Guebert was granted three months leave of absence from his teaching duties during June, July and August. During this time he visited the major capitals of the world, Ottawa, Washington, Paris, London, Rome and others. He took many pictures and will show these in the course of his talk. He also spent a number of weeks attending some of the English Universities.

Redeemer Ladies' Aid plans to create a closer Christian Fellowship amongst the congregational members and others through the medium of these suppers. Supper will be served at 7 p.m. These suppers are open to all who would like to attend, at a nominal charge.

The proceeds of this supper will be used to help pay for the new kitchen in the church basement, already heralded as one of the most modern and convenient kitchens.

Agricultural SERVICE BOARD NOTES

W.K. Snyder,
Field Supervisor

Good weed control starts in the bin of seed grain. If we sow weeds we will be sure to reap weeds. This is a stubborn fact that too few people are able or willing to admit. In the seed drill survey that was made in this Municipality in the Spring of 1949 (last available figures) the results are as follows:

Rejected	72%
No. 3 seed	5%
No. 2 seed	7%
No. 1 seed	16%

This was based on 75 samples of various seed grains taken from the seed drills during the spring when farmers were seeding their crops. To say the least, the continuation of similar practices is an alarming situation. We can hardly expect any improvement in weed elimination from our farms if weed seeds are seeded with the seed grain.

With good seed rather scarce this year in many parts, those people who needed to buy it are well advised to get their supply immediately before available supplies are picked up, or shipped out of the country. Do it now!

FOR SALE—Legacy Seed Oats, germination test 95%. Phone 1610, Didsbury. 2-3p

LOST—Cocker Spaniel Dog, black and white, with collar and 1950 dog license for Calgary. Answers to name of Steve. Apply to Joe Hunter, phone R321, Didsbury. 5-3p

NOTICE

Notice is hereby given that the Council of the Municipal District of Mountain View No. 49 intends to pass a Zoning By-Law under the provisions of Section 22 of the Town Planning Act R.S.A., 1912.

A copy of the By-Law and Zoning Map may be seen at the office of the Secretary-Treasurer between the hours of 9:00 a.m. and 5:00 p.m. on any day not a Sunday or Public Holiday, during the period February 1st to February 15th, 1951, inclusive.

At 2:00 p.m. on the 5th day of March, 1951, the Council will meet for the purpose of hearing any objections to the By-Law.

A. BRUSO, Sec.-Treas.
Municipal District of Mountain View No. 49

NOTICE OF MUNICIPAL MEETING AND NOMINATION OF CANDIDATES AT GENERAL ELECTION

Notice is hereby given that a meeting of the electors of the Municipal District of Mountain View No. 49 will be held in the Opera House, Didsbury, at one o'clock p.m. on

FRIDAY, FEBRUARY 16, 1951

For the discussion of the affairs of the district; and that from three o'clock p.m. to four o'clock p.m. on the same day, and at the same place, nominations for the office of Councillor and Hospital Representative will be received.

WEDDINGS

KRUEGER-RINGHEIM

Mauve and white chrysanthemums
formed a floral background for a
late-afternoon wedding ceremony
solemnized on December 26, 1950 in
the Redeemer Lutheran Church,
Didsbury, when Miss Marguerite
Gladys Ringheim became the bride
of Mr. Lloyd H. Krueger.

Rev. E.B. Fox read the marriage
service for the fourth daughter of
Mr. and Mrs. H. Ringheim of Dids-
bury and the only son of Mr. and
Mrs. E.L. Krueger of Olds.

Given in marriage by her father,
the bride wore a wedding gown of
traditional white slipper satin fas-
hioned with a fitted torso bodice fea-
turing long sleeves and a lace in-
sert neckline. The back was fastened
with tiny self-covering buttons
which extended into a lace bustle-
effect rosette. Her long veil of em-
broidered illusion net cascaded
gracefully from a coronet of orange
blossoms, and she carried a white
Bible arrayed with white chrys-
anthemums. She wore as her only
jewelry the bridegroom's gift of a
triple strand of pearls and her
mother's pearl earrings.

Miss Norma Ringheim of Calgary
was her sister's bridesmaid and
wore a gown of light blue net over
tulle with a matching finger-tip
veil held in place by pink carna-
tions. She carried a colonial bou-
quet of pink and white carnations
and white chrysanthemums. Little
Faye Marsh of Carstairs, niece of
the bride, was flower girl, wearing
a formal frock of pink tulle, and
carrying a colonial bouquet of pink
and white carnations and chrys-
anthemums, centred with an orchid.
The groomsmen were Mr. Gordon
Marsh of Carstairs, and the ushers
were Mr. Donald Freeman of Dids-
bury and Mr. Leonard Rosehill of
Calgary. During the signing of the
register Miss Shirley Krueger sang
"O Perfect Love" accompanied by
Mrs. E.B. Fox.

The reception was held at the
Carstairs home of the bride's sister,
Mrs. Alan Marsh, where a wedding
dinner was served to 27 guests. Mr.
Fox proposed the toast to the bride.
Mr. and Mrs. Krueger have taken
up residence at Kimberley, B.C.,
after a honeymoon trip through the
mountains. For travelling the
bride donned an afternoon frock
of grey and pink printed crepe com-
plemented with a navy top coat,
navy accessories and a corsage of
red roses.

Children have a fair degree of in-
telligence. But not enough adults
realize this.

UNITED MISSIONARY CHURCH

Rev. E. G. Archer, pastor

Sunday school: 1:30 p.m. Worship
Service 2:30 p.m.
Sunday evening service 7:45 p.m.
Young people's service every al-
ternate Sunday at 7:45 p.m.
Wednesday evening prayer meet-
ing at 8:00 p.m.
Davenport school: Sunday school
and service each Sunday, 10:45 a.m.
A friendly invitation to everyone
to come and worship with us.

Notes From The D.A.

(By Hugh McPhail)

Whenever there are large quanti-
ties of low grade grain there are a
great many complaints about grading.

This year frosts and adverse
weather conditions lowered the
quality of our crops very greatly,
and so there have been numerous
complaints. Some say if wheat were
only graded on protein content all
the troubles would be corrected.
Protein quality, however, is just as
important as quantity.

At a recent meeting of the dele-
gates of the Alberta Wheat Pool,
Dr. J.A. Anderson, Chief Chemist of
the Board of Grain Commissioners,
outlined what he considered a prac-
tical plan for our crop. Protein con-
tent in grading out wheat. He said:
"Protein grading should be restrict-
ed to wheat now grading 2 North-
ern or higher after removing the 10
per cent of the No. 2 grade that
weighs less than 60 pounds per
bushel. Lower grades should be ex-
cluded because the protein in these
wheats is damaged."

"The top quality grain, averaging
60 per cent of the crop, can be
sifted and graded on a protein
basis into four new grades with pro-
tein levels of over 11.5 per cent,
between 13.5 and 14.5 per cent, be-
tween 12.5 and 13.5 per cent, and
under 12.5 per cent. The new
grades, which might be called No. 1
Canadian Western Hard, No. 1
C.W. Medium Hard, No. 1 C.W. Me-
dium, and No. 1 C.W. Soft, would re-
place the present grades of 1 Hard,
1 Northern, and 2 Northern."

"The four 1 C.W. grades could
not be binned separately in country
elevators since no protein method
is available for doing this. Nature
will see that high protein grades
are delivered to and shipped from
country elevators in high protein
areas. Low protein grades will come
from low protein areas."

At central points, such as Win-
nipeg, Edmonton, and Calgary,
probe samples can be taken and
tested for protein in central labora-
ories. These tests will establish
the exact 1 C.W. grade, which
each carlot of wheat belongs, and
permit terminal elevators to bin
the four grades separately.

"All farmers delivering wheat of
1 C.W. quality would receive the
same interim payment. The final
payment would include a protein
premium which would be higher
for higher protein wheats. No prob-
lem exists in paying the farmer
who ships carlots of wheat. The
farmer who delivers to the elevator,
and whose wheat is mixed with
that of other farmers, would re-
ceive a protein premium based on
the average protein content of car-
lot of 1 C.W. grades shipped from
the elevator. This method of pay-
ment may not be perfect, but any
argument against it applies with
even greater force against the pre-
sent method, in which farmers get
the same price for No. 1 wheat ir-
respective of whether it has pro-
tein content of 17 per cent or 11 per
cent."

Dr. Anderson also warned that
much additional study would have
to be given to this proposal before
its adoption could be seriously con-
sidered. Canada now has the best
procedure for bulk handling and
grading in the world. We must be
cautious in taking any step which
might endanger this reputation.

"SENSIBLE CONSERVATION"
IMPORTANT TO ALBERTA

The way of life and the standard
of life for future Albertans depends
on the resources of the provinces
and the resources must be preserv-
ed. Hon. N. E. Tanner, provincial
minister of mines and minerals,
lands and forests, told a meeting of
the Canadian Club at a luncheon
in the Palliser Hotel, Calgary last
week.

Individual responsibility was the
keynote in sensible conservation of
Alberta's rich endowment of natu-
ral resources such as soil, timber,
coal, oil and natural gas, Mr. Tan-
ner said.

As an example of the failure of
individuals to co-operate, the mini-
ster cited figures showing that in
1949 tourists and campers had been
responsible for one-third of the
more than 300 fires which had rav-
aged Alberta grass and timber
lands.

Improper farming methods, he
said, could result in tremendous
losses of soil by erosion, which had
been the cause in some parts of the
province.

Fish and game conservation too,
Mr. Tanner said, could be helped
greatly by the individual respecting
the laws which have been set up to
avoid depletion of the province's
wildlife.

The Alberta Petroleum and Natu-
ral Gas Conservation Board came in
for praise by the minister, when he
described its work as second to none
in North America in preventing the
waste of natural gas since 1938.

Among the most vital areas for
conservation in the province, Mr.
Tanner said, were the water-sheds
because of their effects on rivers
and irrigation. Protective measures
had been taken, he said, to keep
the water-sheds from being ruined.

Mr. Tanner warned that without
sensible conservation and the co-
operation of citizens, Alberta's natu-
ral resources could be depleted un-
necessarily.

FUL-O-PEP FEED

— AND —

EARLY CHICKS
Make Most Profit

We know that you know it, but have you done
anything about it? Read the egg market reports
for 1950. A Large eggs were really nice to have
from July to December. Why not produce A
Large eggs when they are worth the most. Feb-
ruary, March and April chicks will do the job
for you in 1951.

Your Satisfaction Means Our Future Prosperity.

Cut down the cost of living with some Ful-
O-Pep fed cockerels for early friers and roasting
chickens. They are delicious.

Don't buy more chicks, buy better chicks at the
OLDS HATCHERY. Also a full line of Ful-O-
Pep feeds for hogs, cattle and poultry on hand
at all times.

We have oil brooders, electric brooders,
waterers, tonics, feeders, worm powders and
molasses on hand.

If you have not ordered your chicks for 1951
do it now while we have what you want when
you want them.
